

# CMSE 2026

15th Global Conference on Materials Science and Engineering  
November 20-23, 2026 | Macao, China

澳門會展旅遊業協會  
ASSOCIACAO DOS SECTORES DE CONVENCÕES, EXPOSIÇÕES E TURISMO DE MACAU  
MACAO ASSOCIATION OF CONVENTION, EXHIBITION & TOURISM SECTORS

## About CMSE 2026

Organized by Macao Association of Convention, Exhibition & Tourism Sectors, and co-organized by City University of Macau, the **15th Global Conference on Materials Science and Engineering (CMSE 2026)** will be held on November 20-23, 2026 in Macao, China.

Launched in 2012, the annual CMSE conference aims at providing an international academic platform for researchers and scholars to present their latest findings, and to facilitate networking and in-depth discussion in theoretical and experimental aspects of materials science and engineering. The past events were held successfully in Xi'an, Kampar (Malaysia), Shenzhen, Sanya, Beijing, Taiwan, Macao, Shanghai, Xianning, Zhoushan, China which have attracted over 2000 researchers, scientists and scholars from more than 40 countries and regions.

## Important Date

Second Round Submission Due	April 10, 2026
Abstract Submission Due	September 10, 2026
Full Paper Submission Due	September 30, 2026
Early Registration Due	September 30, 2026
Tour day	November 23, 2026

## Conference Program

Date	Activity
November 20, 2026	Registration
November 21, 2026	Opening Speech, Keynote Speeches, Poster Presentations, Invited Speech & Oral Presentations, <a href="#">Welcome Banquet</a> (at Macau Tower)
November 22, 2026	Invited Speech & Oral Presentations
November 23, 2026	<a href="#">One day tour in Macao</a>

## Keynote Speakers

Prof. Jorge Ambrosio  
University of Lisbon,  
Portugal

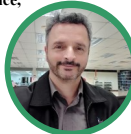

Prof. Henryk Paul  
Institute of Metallurgy  
and Materials Science,  
PAS, Poland

Prof. Mário G. S. Ferreira  
University of Aveiro,  
Portugal

Prof. Qixin Guo  
Saga University, Japan

Prof. Payam Shafigh  
Wenzhou University of  
Technology, China

Get involved, connected and inspired at CMSE 2026!

## Presentation Timing

Keynote Speech	40 min
Invited Speech	20 min
Oral Presentation	15 min
Poster Presentation	40 min—1 hour

## Topics of Interest

The topics of interest include but are not limited to:

- Composite, Coating and Ceramic Materials
- Metals, Mining, Metallurgy and Materials
- Structural Materials
- Surface Science and Engineering
- Characterization & Testing
- Nanomaterials and Nanotechnology
- Electronic, Optical and Magnetic Materials
- Material Mechanics & Properties

**Submit  
now!**

## Call for Papers

Abstracts and full papers (optional) should be submitted to CMSE 2026 via the conference official website: [www.cmseconf.org](http://www.cmseconf.org)

- Accepted abstracts will be included in the abstract proceedings for academic exchange only.
- Accepted papers will be published in the conference proceedings; Selected papers can be recommended to SCI journals.

## Paper Publication

**Conference Proceedings (Scopus / EI Compendex):**

Springer Proceedings in Materials

**International Journals with Impact Factor:**

- Strength of Materials IF: 0.9
- Materials Science-Medziagotyra IF: 0.6
- Archives of Metallurgy and Materials IF: 0.7
- Mechanika IF: 0.7
- Composites and Advanced Materials IF: 1.6

## Registration Fee

Type	Early Registration Fee (before Sept. 30, 2026)	Later Registration Fee (after Sept. 30, 2026)
Presenter	USD 550	USD 600
Student/ Co-author/ Listener	USD 450	USD 500

### Registration Entitlement:

Oral / Poster Presentation, conference materials  
 Access to all technical sessions and coffee breaks  
 Lunches on Nov. 21-22  
 Welcome banquet at Macau Tower on Nov. 21  
 One day tour in Macao on Nov. 23

## Presentation Awards

### BEST ORAL PRESENTATION AWARDS

ONE Best Oral Presentation will be selected in EACH oral session will be selected based on the ranking of votes from listeners.

### BEST POSTER PRESENTATION AWARDS

2-3 Best Poster Presentations will be selected in the poster session based on the ranking of votes from judges.

The winners will be awarded a **certificate** and provided with **free registration** for the next CMSE conference.

## Best Presentation Awards

## Conference Venue

CMSE 2026 will be held at City University of Macau on November 20-23, 2026.

### City University of Macau

Address: Avenida Padre Tomás Pereira Taipa, Macau

Website: <https://cityu.edu.mo/en/>

## Explore Macao

Macao's rich and varied history has left its mark on the city, with vibrant reminders of its heritage as a Chinese fishing settlement intermingled with landmarks to its past as a Portuguese outpost. Around every corner, the city's unique multicultural character invites visitors to explore and discover new facets of Macao.

The Ruins of St. Paul's

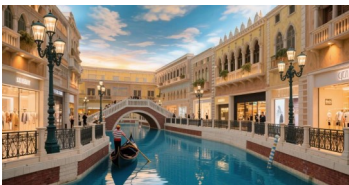

A-Ma Temple

Maritime Museum

Senate Square

The Venetian Macao

The House of Dancing Water

## Welcome Banquet

### CMSE 2026 Welcome Banquet

November 21, 2026

360° Café, Macau Tower

**Macau Tower**, located in the New Reclamation Area of Macao West Bay, has a total height of 338 meters (standing 338 meters at its highest point, 56 floors in total) from the ground to its highest point. **The 360° Café** on the 60th floor can not only help guests around the world enjoy the pleasing panorama of Macao in 90 minutes, but also enjoy various delicious food like authentic Portuguese and Indian flavors delicious seafood and Western cuisine and desserts. Also, there is a Chinese food restaurant vigorously promoted by Macao tourism diet magazine which mixes the traditional aulic cooking and innovative ingredients.

## CMSE 2026 Field Visit

November 23, 2026, 8:30 am to 4:30 pm

**Ruins of St. Paul** → **A-Ma Temple** → **Macao Maritime Museum** → **The Venetian Macao**

CMSE 2025 in Northwestern Polytechnical University, China
